of Cambridge, Commander-in-Chief of gm7, has set sail for Vancouver's Island, the Boundary difficulties there. Gen. Sickles, the great forgiven, will go to is December and claim his seat in Con-

Hoe of New York, have manufactured ine of their six cylinder presses for the test of Australia. They sent with the their best workmen to put it up for the

of Vernon Record states that the work of sent Vernon in good condition has been also that \$15,000 of the fourth and last of the purchase of Mount Vernon has at paid to Mr. Washington, leaving about se paid to complete the purchase.

TREASURE -The growth of luxurious y sy extravagance, in the United States, singled by looking into the splendid jewelry singled by looking into the splendid jewelry sets on Broadway, especially Ball, Black at Tidany's. At the latter store may a diamond necklace, valued at \$9,000. in point of beauty and value, probably in sen on this side of the Atlantic. The

TRADE.-A book is about to be pub and a detailed account of the cruise of the copper, when on her last slaving expedisebok, says the Charleston Mercury, will tis brought out by a person who ais her adventures, and will give a minthereof, and will make some developsairing the reputation of many public men

tous Gold Mines.—From the following it that the Pike's Peak gold mines are no The Deaver city correspondent of the acts of gold in various forms by prominent in Denver and Aurora, which aggre-illers: receipts \$37,000, shipments \$145,-emination of the gold is at the rate of \$17 stich is much below its real value. The fell brought to the States by private indisiscinded in the statement.'

NEWSPAPER TRICKS .- The explosion on Great Eastern was disastrous not only to The London Morning Post got the start the papers in publishing an account of althe arrival of the ship at Portland. But a nithough dated "On Board the Great "said not a word of any accident, and it that the writer had accidentally missed e and had accordingly invented a descrip-alignorance that anything unexpected had

os Water -On Saturday afternoon, performed his promised feat of walking in the presence of a score of witnesses. The near the Don Station, was the scene of allel exploit. A little after three o'clock. presenters of the press, with Mr. Good-He was accompanied by another person in As the few spectators who had been invit-less this preliminary trial approached the by saw Mr. Hicock stalking away upon the companion resting quietly in the boat at He walked a distance of two or three ands with complete success, when the specestation, being satisfied with the success of a as the Indians do on snow-shoes, and at is more than six or seven inches. The e idea of walking on water did not strike is fortnight ago, he had but little time to He showed no difficulty, however, in keep-milibrium, sometimes with a wand, and with nothing in his hand. He sat astride masionally; his water-shoes hanging over. The fact is clearly established: walking age is possible. The art is in its infancy; a hall say to what perfection it may be in-Teronto Globe.

m California .- The competition by steam in is becoming active, and three or four loon be in operation. Vanderbilt, Roberts can have consolidated, and taken the U.S. anship line, to compete with the North Atlansembined. The latter have the steamships a Baltic and Atlantic to fight with on this as feet of steamers on the Pacific side. The Company has the mail contract of \$187,is departure will be on the 5th and 20th of as heretofore. The line on this side will mon steamship Champion, Capt. Fletcher; a Star and Northern Light. The mails unied via Aspinwall, till the Nicaragua penel, which will be in the course of a few The mail contract obliges them to do the as quick time as is made by any other line. MAT EASTERN.-Everything connected with possesses just now unusual interest. he following items relating to her in our

rest Eastern is to leave Portland, England, th of September, for Portland, Maine, and New York. Captain Harrison, late of the ship fleet, will take her to Portland, at bes, our London correspondent assures us, constock, the former commander of the Colthe Baltic, will assume the charge, and the this city through Long Island Sound. reason that, from his long experie ce in mers, he has become practically acquainted proper time and mode of entering or the Russian frigate General Admiral in her Juge from New York to Cronstadt, and will, ast, and himself perfectly home on the deck

Comstock is reported to have expressed the that the Hellgate channel is impracticable fruit Eastern, not for want of water, but begih. Under very extraordinary circum-be pusage through Hell gate might be effect-a sold be at "dead high tide." and just at and even then steam tugs would be required berin making the short turns, and the unwere running in the channel the tugs a te able to hold and manage the ship, on if the great surface of resistance presented to

IN THE GREAT EASTERN -The Great Eastof all that has happened, still remains I the Nore on Thursday night. During tim was taken into consideration, must fell on Thursday, after anchoring at the semed a fair chance of seeing next day and comport herself in a smart sea down he dawn disappointed no one who wished the Great Eas ern would behave in a to anchor was got up, and the run down assenced, the Girdler Sands being passed. In the breeze kept freshening, till it times to a gale, and the old music arous and rigging became louder and

d shead, and for the first time a fair comthe Great Eastern with other ships could as ... A heavy swell was running, and as were lying to under close-reefed topsails, ply to the sea, and sending the spray in their bows. At this time the Great motionless as a rock. Now and then passed her, but their size and action he known by observing their effect on known by observing their effect on number of the passengers went forHew Idbertisements.
